Kurzbeschreibung

**** The number one bestseller *Big Little Lies* is now a HBO series starring Nicole Kidman, Reese Witherspoon, Alexander Skarsgård and Shailene Woodey ****'Let me ask you a question. Would you like a series that has everything? Good. Because it is, emphatically, **HERE**' *The Guardian*'**Depth, class and a sense of humour**' *The Times*'**Artful and arch, a compelling and sad satire**' *Vanity Fair*

Perfect family, perfect house, perfect life; Jane, Madeline and Celeste have it all . . . or do they? They are about to find out just how easy it is for one little lie to spiral out of control. From the author of *Truly Madly Guilty* and *The Husband's Secret* comes a novel about the dangerous little lies we tell ourselves just to survive. Jane hasn't lived anywhere for longer than six months since her son was born five years ago. She keeps moving in an attempt to escape her past. Now the idyllic coastal town of Pirriwee has pulled her to its shores and Jane feels as if she finally belongs. She finds friends in the feisty Madeline and the incredibly beautiful Celeste, two women with seemingly perfect lives - and their own secrets. But at the start of a new term, an incident involving the children of all three women occurs in the playground, causing a rift between them and other parents. Minor at first but escalating fast, until the whispers and rumours become vicious and spiteful, and the truths blur into lies. It was always going to end in tears, but no one thought it would end in murder . . . **'Brilliant, stand-out, superbly clever. Moriarty writes vividly, wittily and wickedly'** *Sunday Express*'**A nuanced psychological study of the elements of motherly and matrimonial behaviour'** *The Sunday Times*'**Blame and guilt, forgiveness and retribution, love and betrayal. A tense page-turning story . . . a great read'** *Mail on Sunday*'**Staggeringly brilliant . . . literally unputdownable'** Sophie Hannah'**Blending romance, comedy and mystery, this is a wonderful book - full of brains, guts and heart'** *Sunday Mirror*'**Tolls a warning bell about the big little lies we tell to survive'** *Washington Post*'**A fantastically nimble writer, so sure-footed that the book leaps between dark and light seamlessly'** *Entertainment Weekly* **Pressestimmen**

Praise for *Big Little Lies*

"If you're looking for a novel that will turn you into a compulsive book-finisher look no further. Moriarty has produced another gripping, satirical hit...It's can't-put-downability comes from its darker subplots...A book that will make you appreciate the long days of summer."—Oprah.com

"The secrets burrowed in this seemingly placid small town...are so suburban noir they would make David Lynch clap with glee...[Moriarty] is a fantastically nimble writer, so sure-footed that the book leaps between dark and light seamlessly; even the big reveal in the final pages feels earned and genuinely shocking."—*Entertainment Weekly*

"Reading one [of Liane Moriarty's novels] is a bit like drinking a pink cosmo laced with arsenic...a fun, engaging and sometimes disturbing read...Moriarty is back in fine form."—*USA Today*

"A hell of a good book. Funny and scary."—Stephen King

"Ms. Moriarty's long-parched fans have something new to dig into...*Big Little Lies* [may have] even more staying power than *The Husband's Secret*."—*The New York Times*

"*Big Little Lies* tolls a warning bell about the big little lies we tell in order to survive. It takes a powerful stand against domestic violence even as it makes us laugh at the adults whose silly costume party seems more reminiscent of a middle-school dance."—*The Washington Post*

“Irresistible...Moriarty’s sly humor and razor-sharp insights will keep you turning pages.”—*People*

“Funny and thrilling, page-turning but with emotional depth, *Big Little Lies* is a terrific follow-up to *The Husband’s Secret*.”—*Booklist* (starred review)

“Moriarty demonstrates an excellent talent for exposing the dark, seedy side of the otherwise ‘perfect’ family unit...Highly recommended.”—*Library Journal* (starred review) Kurzbeschreibung
