Kurzbeschreibung

Tarzan, as he became known, was actually Lord John Greystoke the 3rd, whose family had a seat in the House of Lords. The Jungle was all that Tarzan had known, having been raised by a Breed of Apes from when he was small. Enjoy the adventure with Tarzan in the Jungle, as he learns just how important he is and how important he is to his family of Apes and their survival. Synopsis

Deep in the African jungle, the baby Tarzan was raised by apes who taught him the secrets of the wild. His intelligence promised him kingship of the tribe and he became the true Lord of the Jungle. But then men entered his kingdom bringing with them the wanton savagery of civilized greed and lust.
